Direction to Pope Marine Building, Port Townsend

Directions from the East (Seattle)

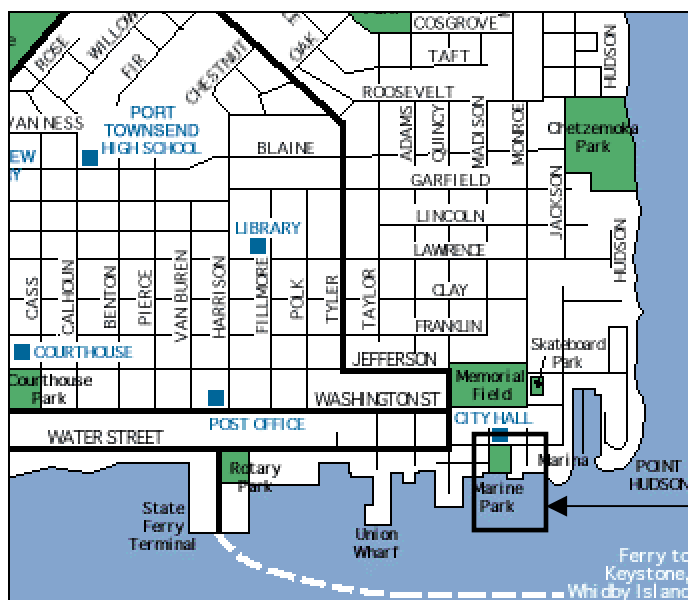

From Colman Dock (Pier 52), take the Seattle-Bainbridge ferry to Bainbridge Island. Take State Route (SR) 305 north/west about 13 miles (past Poulsbo) to State Route (SR) 3 north and follow the signs 7 miles to the Hood Canal Bridge. Take a left and cross the Hood Canal Bridge. The sign for Port Townsend is about .5 mile ahead. In 5 miles turn right on State Route (SR) 19 (Beaver Valley Rd.) toward Port Townsend. Continue about 22 miles to the town of Chimacum. Go straight after the 4-way stop on SR 19. 7 miles south of Port Townsend 19 joins with State Route (SR) 20. Follow SR 20 into town. The highway becomes Sims Way. This road then becomes Water St. and goes past the Keystone-Port Townsend ferry dock into downtown. The Pope Marine Building is located on the dock at the corner of Water and Madison Streets, approximately seven blocks from the ferry terminal.

Directions From the South (Tacoma)

Take State Route (SR) 16 over the Narrows Bridge toward Bremerton. Take State Route (SR) 3 north and follow the signs to the Hood Canal Bridge. Take a left and cross the Hood Canal Bridge. The sign for Port Townsend is about .5 mile ahead. Turn right on State Route (SR) 19 (Beaver Valley Rd.) toward Port Townsend. Continue about 22 miles to the town of Chimacum. Go straight after the 4-way stop on SR 19. 7 miles south of Port Townsend 19 joins with State Route (SR) 20. Follow SR 20 into town. The highway becomes Sims Way. The road becomes Water St. and goes past the Keystone-Port Townsend ferry dock into downtown. The Pope Marine Building is located on the dock at the corner of Water and Madison Streets, approximately seven blocks from the ferry terminal.

Directions from Port Townsend Terminal

From the Port Townsend Terminal dock, turn right onto Water Street and follow approximately seven blocks. The Pope Marine Building is located on the dock at the corner of Water and Madison Streets.
